

B. C. S. Bulletin To Old Boys

VOL. XVII No. 1 COMPILER: H. L. HALL, M.A. ('16-'27) DECEMBER 1957

NO, THE PRINTERS HAVEN'T MADE A MISTAKE... we thought we'd like to see appearing on the front page what, up to now, has always been on the last.

While the Bulletin mailing list has increased annually, yet membership in the Association has been decreasing.

Back in 1945 when the Association assumed all costs of producing the "Bulletin to Old Boys" and when the mailing list then was about 600, an aim was set to try to obtain 500 members. In 1949, with the mailing list over 900 and 451 Old Boys enrolled as members, we thought our aim might be achieved the next year. Unfortunately, it wasn't; but we have always been hopeful, and still are, that some day -- and soon -- we may be able to announce our success.

As of May, 1957, over 1500 Old Boys receive the Bulletin -- but only 323 are members of the Association, of whom 127 are Life Members.

THE HEADMASTER'S MESSAGE:

Generally, at this time of year, I can report that the term has been safely launched and all seems to be going reasonably well. This time the 'flu epidemic, which so unfortunately cancelled Thanksgiving, has changed all that: classes have been at least decimated and games crippled. It has been a case, almost entirely, of keeping our heads above water, academically and athletically, as best we can. However, we are doing our best to set things to rights, and I have no doubt that we will be able to make up the work at least.

It was a particular disappointment that we were unable to see so many Old Boys and friends at Thanksgiving. I do hope that very many of you will be able to visit us before the year ends.

It has just come to our attention, almost accidentally, that a recent Old Boy has covered himself with considerable glory in the form of a number of scholarships and other academic attainments at McGill. Indeed we know of at least three B. C. S. boys who are carving distinctive careers there. However, undoubtedly because of their B. C. S. modesty, we seldom hear directly of these honours. It would be a great help to the School if Old Boys would be good enough to drop us a line and tell us about this sort of thing.

I am confident that the academic standard of the School compares favourably with that of any school in the country. It would be helpful if we had more concrete evidences of this to show our friends. For instance, B. C. S. boys led or tied for the leadership, in the matter of First Class and Distinctions in both the Senior and Junior Matriculations again last year.

Despite minor setbacks, such as this 'flu bug, the School marches resolutely towards its 125th anniversary which is scheduled for 1961. Long may it flourish!

We welcome the following Old Boys who left the School last June, as members of the Association:

W. Brainerd ('52-'57); J. P. Johnston ('53-'57); F. Chonchol ('51-'57); D. Pollock ('50-'57).

Since the last list was published, the following Old Boys have become Life Members in the Association and we welcome them most cordially:

I. L. Sewell ('33-'42); R. Howard ('42-'47); J. M. Riley ('48-'55); J. R. Simms ('23-'29); D. M. Vass ('44-'47); J. W. Winder ('39-'49); W. S. Tyndale ('31-'37); J. M. Scholes ('42-'48); Dr. W. J. Johnston ('27-'30); G. R. Seely ('43-'46).

We hope to see a large turn-out at the Annual Dinner -- announcements later.

PREP SCHOOL SOCCER: What promised to be a successful season was somewhat marred by the 'flu epidemic. However, some of the postponed games were played eventually, although in very bad weather conditions. Selwyn House visited B.C.S. on 19th October when the Prep won by a score of 4-1 and, in the return game in Montreal on 23rd October, the Prep won 1-0 although, in this game, our goalkeeper, Colin McLernon, did not handle the ball once. On 22nd October the Prep visited Stanstead College and were beaten by a considerably older and heavier team by a score of 3-0. In the return game played at B.C.S. on 29th October, the score was 2-1 for Stanstead. Our second team also played Stanstead on 29th and the result was 4-0 for the Prep. Unfortunately, sickness prevented our feature attraction, the annual match against King's Hall, from taking place.
